

Meeting Minutes

To: All PVA Attendees, C2E Parents
From: Cindy Rose, PVA Secretary
Date: 10/06/07
Re: December 6, 2007 - Meeting Minutes

C2E's Parent Volunteer Association

The meeting was held in C2E's lunchroom. It started at 7:10 pm.

1. Ms. Rebecca Keeler opened the meeting by welcoming everyone and some new faces. Everyone introduced himself/herself one at a time. (Cindy, Katie, Cheryl, Michelle, Emily, Sherri, Nicole, Paul, Tim, Carlene, Debra, and Rebecca).
2. Rebecca recalled what was discussed in the previous meeting. PVA defined, different committees, governing councils, and so on.
3. She requested for everybody to forward their fundraiser ideas to her as she will forward this to Katie (this has not been finalized), then to Linda or Donna.
4. Ms. Katie Bivens was up next. She notified us about C2E's goal of \$26K for the whole 07-08 school year. So far we are currently at \$21K with only just half way of the school year! Good job everyone for supporting all our fundraising projects!!!
5. Ms. Carlene Rossman then mentioned that she would need some volunteer to help out with the CSAP Student's encouragement program by March of next year. Last year we distributed juice boxes to the students. This year we might do more than that.
6. Carlene then introduced Mr. Tim Deans, committee chair of Dad's Club.
7. Tim talked about what was discussed in their meeting yesterday. The Dad's Club will be doing the Playground Maintenance on Dec 13th. They will be spreading 4 yards of wood chips, painting, tightening some screws, and possibly filling the screw tops with epoxy to eliminate future vandalism. Anyone who wishes to share his or her time for this cause will be greatly appreciated. Please email Tim at tdeans@gates.com.
8. Tim would also like to invite any parents (yes, even Moms) to join the Dad's Club. Cheryl suggested placing a flyer in the Thursday folder to encourage more Moms to be involved with the Dad's Club.
9. Tim suggested a Hot Chocolate night for a fund raising! Yummm!
10. Carlene mentioned that C2E owns a huge telescope. Mr Baron Ferguson is now handling it. Discussions about teaching some parents how to use the telescope can be a good idea.
11. Cheryl Buchen suggested Movie Night fundraising— during summer of course.

12. Carlene added that all volunteers should log their hours in the Volunteer's logbook. This book is always in the front office. She explained that the school receives some financial assistance from Douglas County for volunteer hours listed only in the Logbook.
13. SCRIPS Program was then discussed next by Michelle and Emily. She enlightened us by explaining how the program works. It doesn't cost you anything to get these grocery/retail/restaurant/airline/etc cards. No fees. No interest. No shipping and handling. And best of all you will be helping your school! Your \$25 bucks = \$25 gift card, and the retailers pay the school!!! Most of these gift cards have no expiration (believe me, I checked!). If you want the entire list of all participating groceries/retailers/restaurant/rental cars/airline/vacations/etc check out this website: www.glscrip.com. You may email Michelle Garrett at pwicker9@msn.com or Emily Carson at emilycarson@yahoo.com. Oh yeah, Michelle and Emily added that WalMart is now part of the program. She also said that only 11 families participate in this program.
14. Rebecca then mentioned that Student Advisory Council (SAC) are now getting ready to show the results of the school survey. She said that Kimberly Hubbs is the new chairman of SAC.
15. The 'Doughnuts for Dad' folder is missing! If anyone accidentally finds it, please call Rebecca at 303.805.8465. Also, if you would like to assist in this event, she would be happy to hear from you!
16. Rebecca reminded everyone that there would be no Father and Daughter dance this year. But we will have the Sock Hop on April 11th. Valerie Slechta is heading this event. Please call Rebecca if you would like to help in this family event.
17. Patsy Fawaz is heading the Ice Cream Treat Friday. No dates yet.
18. Julie Cooper's Grandmother's Day event was a HUGE success!!! 90 RSVP'd, she prepared for 130, and about 300 showed up! Kudos to Julie!!!
19. Rebecca announced that she still needs someone to head the 'End of school year PICNIC'. Tim said that the Dad's club might be able to assist her. Carlene said that Hickory House can assist with the food for \$4.25/person.
20. Cheryl Buchen then mentioned that the 'Holiday Shop' would be on Dec 17,18,19, & 20. She needs volunteers for this program. Delivery will arrive in the morning. Students will be coming around noon, one class at a time. Need some assistance in set up, and for the rest of the day. Any amount of time you can give her will be needed.
21. Kindergarten buddy system will be done again next year. This time it will be better organized, as what Rebecca expects.
22. Sherrie asked what the process is in volunteering inside classroom. Rebecca explained that it should be done through the teacher. An email correspondence will be better as teachers get so overwhelmed during class hours.
23. Jan 10, 2008 – next Special Events Committee (SEC) meeting. Please note that this is the 2nd Thursday of this month due to school closure on the first week. Regular schedule that is 1st Thursday of every other month will resume after.
24. Feb 7, 2008 – next PVA meeting. This is also held every 1st Thursday of every other month (alternating with the SEC meeting)
25. Silent Auction will be held on March. Ms. Julia Cooper will head this event. \$50/couple (includes dinner, tea, coffee). Cash bar. Class baskets will be auctioned during this event. Any ideas for this event? Please call Rebecca.

26. Cheryl suggested 'Spaghetti Night' fundraising - maybe one Friday per month.
27. The Parent Volunteer Association would like to encourage all parents to attend any of the meetings. Time spent in attending this meeting can be counted as 'volunteer hours'.
