## Kindergarten Buddy Day

Date: May 1<sup>st</sup>, 2009

Time: 1:30 pm

The incoming Kindies are invited to join the graduating kindergarten class to meet their teachers, visit the classrooms and do a craft; while the parents get to know the principal, volunteer coordinator, and tour the school. The parents will receive a packet to help them get their kindergartners ready for the first day of school. The incoming class will also receive a stuffed Mammoth toy to love over the summer. If they are feeling a little shaky on the first day, they can bring it to school with them so that they are not alone. They will also have met some friendly faces to pass in the hallway.

Chair: Kimberley Hubbs/Deanne Duncan
