

CHALLENGE TO EXCELLENCE

MIDDLE SCHOOL INFORMATION EVENING

Challenge to Excellence will be hosting our annual Middle School Information Evening on December 16, 2010. This event will run from 6:30pm until about 7:30pm. This is a wonderful opportunity to experience Middle School at C2E and have all your questions answered. Several alumni from different graduating classes will be available to answer questions families and students may have as well. We invite all current 5th grade students and families to attend along with any outside perspective families as well! If you have any additional questions, please call 303-841-9816. We look forward to seeing everyone there!
