

SCRIP

WHAT IS THE SCRIP (GIFT CARD) PROGRAM?

The Great Lakes SCRIP (GLSC) offers an innovative approach for organizations seeking to raise funds...and all you have to do is shop at your favorite stores, eat at your favorite restaurants, and fill your car with gas with everyday gift cards that you buy from our school. GLSC buys huge quantities of gift certificates directly from hundreds of merchants. Due to their volume purchase approach, they are able to secure these certificates at a discount. GLSC then passes a portion of that savings (2 – 20% of the card value) on to C2E when you buy your gift cards through this program. So you buy the gift card, use it to buy things you'd buy anyway, and C2E gets a little profit while you spend NOTHING extra...not a dime!!! **PLEASE SEE ALL SCRIP RETAILERS AT www.shopwithscrip.com.**
