*(The door slams open to reveal their horrible, horribly wealthy neighbor, CRUELLA DE VIL!)*

**ROGER**

Well, if it isn't our neighbor Cruella De Vil come to pay us a visit!

**CRUELLA**

What on earth is all that racket? How am I ever going to get my beauty sleep???

**PEPPER**

Beauty sleep???

**PATCH**

Did she say beauty sleep?

**LUCKY**

That's a laugh!!!

*(The PUPPIES snicker, but PERDITA's bark quickly quiets them. ANITA tries to divert CRUELLA's attention.)*

**ANITA**

Why Cruella, what a lovely fur!

**CRUELLA**

*(preening)*

Do you like it? It's a genuine one-of-a-kind and cost ooooooles of pounds! Now I have almost completed my collection of every kind of fur coat in the entire world!

**ANITA**

It's... lovely. And I am terribly sorry about the noise. Really, the puppies mean no harm at all.

*(inspiration dawns)*  
Spotted little furry creatures...  
*(embracing the puppies)*

Why, I don't think I've quite seen anything like them. Look at the depth! Look at the patterns! Why, they're practically works of art!

*(aside)*  
And just what I need to complete my collection!  
*(abruptly)*

You know what? I've changed my mind. I've been without a pet long enough. No one to play with. I can't wait to wear...  
*(catches herself)*

... I mean, care for all the little puppies. I'll buy the whole litter! How much?

**ANITA**

Oh, I'm afraid we can't give them up. Poor Perdita would be heartbroken!

**CRUELLA**

Anita, don't be ridiculous. You can't possibly afford to keep them. You can scarcely afford to feed yourselves.

*(chuckles, ripping off a check)*  
Here's a hundred for the lot.

**ROGER**

Cruella, we're not selling the puppies.

**CRUELLA**

Oh, surely, you must be joking.

*(rips another check)*  
Two hundred!

**ROGER**

*(intimidated)*  
No, no, no. I... I... I mean it.
