

A note from the president and vice President:

Hello C2E Parents: Thank you to everyone who came to the PVA meeting last week. We want to extend a HUGE THANK YOU to Scott Lawson and Kristen Karge, this year's Events Committee Chairs, Carlene Rossman, this year's In-School Service chair and James Blevins, this year's Fundraising Committee chair. They have contributed so much to our school and made it a better place for us all. As the Events committee and In-School Service chair positions become open, we would like to extend an invitation to you to carry their torch into next year. If you're thinking you don't have the time or ability to chair a committee, think again. You are not required to plan and put on the events, just help organize the scheduling of the various events and keep the line of communication open with the rest of the PVA. Each event will also have a coordinator as well as other volunteers who will run the actual events. The chair positions may be perfect for someone working outside the home who would like to get their volunteer hours filled, but can't always be in attendance at the school. You and a friend could also choose to co-chair one of the committees - really we want you in whatever capacity you can serve! We would love to have some new faces join us as we gear up for a great year next year. Please contact anyone on the PVA board if you'd like to help! Thank you for helping us to help make our school a fun and exciting place not just for the kids, but also for the entire C2E community!
