

## 2012 Middle School Girls Soccer

Attention all girls in 6th, 7th, and 8th grade! If you would like to play soccer for your C2E Mammoth Team, we will be starting preseason practices on Tuesday, February 16th at 3:30pm, and go until 4:30. Practices will be every Tuesday and Thursday through March 8th, weather permitting. The regular season practices will start on March 12th. Look for the complete schedule to be posted on our Challenge to Excellence website. Come and have fun developing your skills. Games will start April 3rd.

You will need an Athletic Packet completed and fees paid before you can be eligible to participate. Packets can be downloaded at [www.challengetoexcellence.org](http://www.challengetoexcellence.org). Go to student life, then click on athletics. You can start practicing once you have everything turned in. So don't miss out. The absolute last day to turn in your packet and fees will be March 23rd at 4:00pm.

Thank you,  
Coach Curtis.
